WaveWare Offers our Customers the use of our Shared Use Frequencies when used with Our Paging Products.

WaveWare offers 2 and 5 watt Frequencies for most Paging Bases. 25 watt Frequencies are offered for the Amplified Paging systems.

For Higher Power, WaveWare offers to help the Customer obtain a FCC Site License by Sending an Application to the FCC.

The FCC will Chose a Frequency for the Site for the Power (watts) Requested on the Application.

**FCC Licenses are Required for All Installations**
